Construction/Validation/Performance (Kit Veldman)

- No change or updates for construction, still waiting for the transducer to come back from the manufacturer, expected back ~19 June.
- The next monthly inspection is scheduled for 20 June, at 9:30 A.M.
- No work performed last week for the clean-up validation report. The survey for MW140 is tentatively scheduled for this week.
- URS is evaluating the data just received from EPA and will provide an updated summary. Kit will check with Dennis and advise Kim of any outstanding data due.
- URS is still waiting on the cost data from the city and comments from the city on the monthly report for November.
- URS did receive comments on the table of contents for the draft six-month report from CH2M Hill.
- The draft 19th Street and Encanto Park booster pump station construction sector report went out last week. URS needs comments from EPA, CH2M Hill, and the City by 23 June.
- Kim would like to discuss the RA report with URS.

General Discussion

- The 19 June conference call has been cancelled, as Kim will be at an annual meeting for RPMs in New Orleans.
